This campaign is about Human beings, Democracy, UNHCR, Refugees, The Iraqis, Islam, Kurds, Human rights, Respect, Money, Donations, Angelina Jolie, Pavarotti, Giorgio Armani, Donors, Peace, History, Campaigns and about you if you care about these words.

Hi there,

I am SAM, an Iraqi refugee living in Lebanon at the moment; I have spent the last 10 years of my life as a refugee registered with the UNHCR in Beirut. The last 4 years, I have spent as an activist for peace and human rights (especially refugees and asylum seekers) on the Internet; I'm also books author and ebooks publisher. I have launched many campaigns to improve our situation as refugees in Lebanon and hopefully bring more understanding to our problems worldwide. I helped make many changes and improvements at the UNHCR office in Beirut; I used the Internet as the field for my activities (you can read more about that in my free ebook 'MY CAMPAIGNS'). All my ebooks are free and could be download from my sites.

This is my newest campaign, it's about the illegal and humiliating actions of the UNHCR, who using photos of refugees as banners and human-buttons to collect money. This is an abuse of the dignity and humanity of the refugees and must stop immediately and a clear public apology present by The United Nations High Commissioner for Refugees. My friends, I am talking about the pictures you can see here: http://www.eccentrix.com/members/un4

Also you can read my new campaign 'Urgent, we need smile' here:
http://lebanon.kogaryu.com/email_me.htm

For more info about UNHCR and life of refugees you can read my free ebooks. I invite you as fellow humans and members of the world community to support my campaign by reading my article on my site and see the human-buttons. The campaign is to support and improve the UNHCR http://www.unhcr.org especially after the last scandals in the UN and UNHCR, just for example: http://www.mizzima.com/archives/news-in-2005/news-in-april/12-April05-22.htm

"We make demonstration and fast because the UNHCR office in Cairo did nothing for our problem..." http://news.bbc.co.uk/2/hi/africa/4440730.stm

Together we will build better world.

You could reach me fast via this form: http://unhcrlebanon.1clayhill.com/email_me.htm
and if you like to know more about me, you can google for my name 'osam altaee'.

Hello, i am new to the group, 22/f just thought I would say Hi. This group seems pretty umm interesting to say the least lol. I am kinda different in my own way thought maybe I could meet some guys on here that shared the same interests as me. I am petite, blonde, and have a tounge ring. I typically only go for guys older than me. I (like just about everyone else in this world) have a profile with a few photos, you can get to it at this link (hope this works, i suck at this lol) http://www.funwithprofiles.com/lindsey939

If you for any reason find me attractive and would like to chat I am pretty easy going and flirty so i'd love to chat with ya and see where it goes, maybe exchange pics or talk on the phone or what ever. You can get a hold of me on my kam chat which the link is on my profile page

The package i used was the 6 month supply one, and its worth every cent and more.. the website is http://www.crovds.com/bgwo
Ring me on the weekend and we will go out and drink again and let you know some more secrets :).

I know from personal experience, I will tell you about a secret that Joey has made me promise to never ever tell anyone, but since he has not called me in three weeks after standing me up, I am going to break the promise and tell you how he went from having a tiny wang and in 4 months he is now about nine in and get this, it is still getting bigger. Basically it's a regular personalssite, but with an instant message and Webcams system built in. Basically you join their chat-room on their site it gives you a link to those people online in the chat-room, their location, their picture, etc and at one click you can start chatting to them over Webcam (even if you don't have one). Pretty nifty stuff I think!

I really enjoy getting to know people online from all around the world, sometimes I make some really great friends and end up with a great excuse to do more travelling :)

I am not afraid of my sexuality and you shouldn't be either, I love my body and enjoy being nude and I find it very attractive when a man feels good about himself and his body as well

I also enjoy meeting people from my own area but at my age it's not like I go clubbing a lot hehe

The internet makes it a lot easier to strike up a chat with some one and go from there

I love a gentleman who is kind and good hearted and knows what he wants and isn't afraid to go after it

So drop by and view my photos and sign my guestbook or contact me and lets start chatting

Petite woman (5'5") (height and weight proportional), lightbrown (believe it or not: no grey hair!), hazel eyes - look 10 years younger than my driver's license reminds me I am.

In good physical shape, still working. Looking for someone to share life with - the good and the not so good - whatever life hands out. I have 3 sons, 2 grandsons, 1 male cat. Am an animal lover. Like to spend time outdoors, walking in the woods, fires in the fireplace, evenings at home snuggling or reading a good book.

Enjoy movies, am a social drinker and nonsmoker, love having small dinner parties (pretty good cook), am clean, organized, sensitive, serious, intense, honest, caring and have an ascerbic sense of humor.

I'm also very outgoing and enjoy sex very much and am open when it comes to my sexuality

Topic: 251 Message: 251

I'm in crappy marriage and just went through a recent break up. Right now I am looking for a distraction - nothing serious, nothing with major drama. Someone to talk to, hang out with, and occasionally make out with for hours on end.

I'm in my early 40s, hot (that is not just my own egotistical opinion) and in great shape. Ideally I'd prefer someone between 35 and 50. If the chemistry isn't there it just isn't and we can move on quickly.

I'm a divorced 50 something lady. I'm recently divorced and looking to make the most the rest of my life. I would like to develop a casual relationship with a man, which could lead to something else but to be honest I'd like to keep things no strings attached unless I meet someone really great.

I've got some photos and a webcam here

Would love to meet some single men to chat with. If you're married that's ok as well. Thanks

Here is a pic attached

To any who are interested, I'm a 26 year old married housewife and I suspect that my husband is having an affair. I figure rather than leaving him, I'll give him a taste of his own medicine.

My plan is to have an affair with someone I hopefully meet on the internet. As of right now I'm not searching for anything long term, I'm just looking to get some revenge on the man who vowed to be faithful to me.

If anyone is interested, fear not, I have no intention on telling him about any of this, i just want the
satisfaction for myself.
